When I stated
that the Nickels sent in
March last were not new,
I was under the impression
that that was the last lot
received, but I find we had
some in August /93 and it
was there that were not new.

We will want some of the
1894.

Yours truly

Dear Sir

When I stated that the Nickels sent in March last were not new, I was under the impression that that was the last lot received, but I find we had some in August /93 and it was these that were not new.

We will want some of the 1894.

Yours truly,
